GENERAL PROVISIONS

This Service Plan does not cover service or parts required as a result of abnormal conditions such as fire, flood, war, hurricane, explosion, Acts of God, vandalism, or freeze-ups. Jenkins Heating shall not be responsible for damage or losses resulting from fuel run outs, to perform service, or to furnish parts when such failure is caused by war, strikes, inability to secure mechanics, parts, or transportation, or any other condition not reasonably within the control of Jenkins Heating Inc. In no case shall Jenkins Heating Inc. be responsible beyond the actual repair or replacement cost of parts or materials covered by this agreement.

Jenkins Heating reserves the right to reject any service Agreement after inspection of the heating unit. Payment in full to be rendered under this Agreement shall be considered final acceptance of this Agreement. This Agreement is not written on a prorated basis and no refund will be made if it is cancelled by the customer prior to its normal expiration date.

Number in Brackets = Amount Covered for Each Contract

NOTE: Any part not listed above will be charged as well as the labor to repair or replace that part. This Plan does not include labor or materials charged for work involving water storage tanks, boilers, furnaces, faucets, piping, tubing, radiation, steam-motorized valves, ductwork, boiler water testing or treatment, acid-cleaning tankless heaters, chimneys or any other part not listed in this section as covered.
